

San Vincenzo, the crisis there is still a year in aid to 1,800 families

The budget. Serena Rondi is the new president of the diocesan society "High attention to young people and the unemployed." Today the annual meeting

CARMELO EPIS
"Despite the improvements, the blows of the Economic crisis are still being felt. In a sign of continuity, high'll keep attention on the problems that revolve put around the work and young people by supporting projects. For us SO-not a bet on capacitive ty of people to wake up and go back to being an active part of a community. " Serena Rondi, Nembro, god-cesana president of the Society of Saint Vincenzo, anticipates the contents of his report for the association's annual meeting, held this afternoon at Villag-Thu Gabrieli.

The San Vincenzo gives help also distributing food to the needy

Currently, the San Vincen- zo Bergamo counts 702 members, divided into 75 conferences par- rocchiali (including 21 in the city and a company Dalmine) and 4 educators. Last year, the association tion has helped 1,798 families (2,226 in 2016) and accompanying to 6,614 people (7,053 in

2016). Thanks to the Vincentians, last year 200 people (110 in 2016) were released from the state of need. The outputs of the Association in 2016 (aid, buti contribute, activities, training) will pause no remained at 591,433 Euros, of which 330 059 for assistance DIRECTLY ta, 153,238 for assis- tial activities and 6,407 for aid to the Third World. Even last year,

Serena Rondi

aid and relief (food, they cost-contribution, projects) have touched situations that are a reflection of Italian society. "The absolute record in aid still goes to the problems of those who are unemployed or have jobs welded tuario - says Rondi -. Twenty-Gono then, in descending order, situations related to loneliness, debt, health and sickness, separation tions, evictions and gambling addictions, drugs and alcohol. As sem- pre our association aims on home visits and co-

direct noscenza of people and tuazioni Si. And the Vincentians are properly trained. "

To better help, and in- person ends and problems, the San Vincenzo diocesan gue prose- in the consolidated relationship with social networks across the Conventions or collaborations with 21 municipalities, organizations, associations and the Charisma nursing homes and Trescore. In addition, holding sensitization meetings in schools, churches, speakers and associa- tions and it is represented in four diocesan organisms. It also promotes projects financed by calls, foundations and parterna- riato, for example for work projects for young people, including so-called Neet, ie young people resigned themselves who do not work, do not seek it, nor give Student's. It also continues its services for children and families in difficulty, such as "The courtyard Oza- nam» Nembro. Continue the "Projects sign", which offer tax and economic inclusion internships. According to the possibilities, the association offers work inside the food bank in the chain, in the spa- zi extrascuola and lizia to cleaning services. Last year, the middle school Mazzi has renewed its commitment to follow on a path of nell'associa- voluntary adoption.

Donors and transplanted from all over Lombardy riding for life

Tuesday
The bicycle ride sponsored by the Group of Grassobbio Aido: 53 km, passing by Pope John

July 1952: in un'arro- breath climb of the Tour de France, Gino Bartali and Fausto Coppi, even by big rivals, they spend a refreshing bottle. This is the image chosen from the cycle group Aido Grassob- bio for the 1st edition of "Pedalia- mo for life", the cycling rally donors and transplanted: "Because sport is what most unites the per- sone, as donors and trapian- tati: unity is strength and multiplies life, "he says the chairman AIDO Grassobbio Evelynardo Cividini. Tuesday 1st Mag- gio, at 7pm, in the multifunctional hall of Grassobbio nal in via Zanica, 200 participants from all over Lombardy percorreran- no tour cycling 53 km through the streets of 13 towns, through the hospital Pope John XXIII.

Woe to make distinctions in clas- sifica though, because the transplanted feel "normal athletes" As donors and witness the 100 km daily crossed the Gran Fondo cycling every September through an Italian region for sensitization King schools, as recalled the honorary President of the liver transplant Friends Valentina Lanfranchi. "We ride for life" was born with the intention to combine two of the territo- rio excellence: cycling and the hospital first

The presentation of the initiative

in Italy and in Europe for trapian- you, as emphasized Mariangelo Cossolini, responsible for the Co- sorting levy and trapian- to organs and tissues of the provincial cia of Bergamo. The cycling rally is also an opportunity to celebrate the 45th and 50th of Aido Avis: "The sport and the donation are united by the energy, the strength and co-range", the commissioner intervenes al policies social Caroli- na Maria Marchesi. He is well aware of the Regional Vice President of Aido Ca- valier Leonidas Pozzi, who Twenty years ago underwent a transplant. "From 2015 to date we have already raccol- to 402 accessions to organ donation by teens who rinno- compartment identity card", raccon- ta the City's planning department of Grassobbio Simonetta Lots. A goal that aims Corrado Valli, President of Aido: "Even Tuesday we want to transform as many ni in yes! ». For info and registration: grassobbio@aido.it.

Marina Belotti
