

# Manzù, Ardea the field with Bergamo

**The agreement.** Green light of the cartel Lazio City Council with the Province and Mibact, supported by Eco Objective: enhance the figure of the sculptor through the exchange of works and promotion of itineraries

CAMILLA WHITE

Finally he arrived. There is the green light from the City of Ardea agreement with Provincial, via of Bergamo and the Ministry of Culture and Tourism for the enhancement of the work of Giacomo Manzù. A concrete step towards signing the protocol to a year after the launch of the initiative by dell'istituzio- any of the Tasso, the first to accept the appeal for re-discover the artist Bergamasca masco launched by pages of our newspaper.

"The first concrete step"  
"The wait is over. Known to be the timing of a ministry are not short, what is that to reach AG- Ardea there were elections and we DO- vuto restart relations with

**The dream of the Province: a museum dedicated to the sculptor in the building in Via Tasso**

the new administration, but we are finally there," says the president of the Province of Bergamo, Matteo Rossi. The agreement provides for a three-way collaboration conducted by means to make known the works DEL- sculptor preserved in Ber- gamo, his native land, and Ardea, in the museum house where Giacomo Manzoni spent the last years of his life. To this end it will set up a working group, a tato Scientific Com- that will end up de-FI nalizzate strategies and initiatives to enhance the artistic production of Manzù. Ardea undertakes to promote events and semi- nars, to raise funds to bor- if didatti- of study and activities, and to organize cultural and tourism initiatives around the house museum.

The Province of Bergamo will do the same in orobico territory and already moved on this road. "Our the objectives are essentially two

- Rossi explains -: get Prestiti rotation of the artifacts to be exhibited at Ardea in Bergamo (and therefore ask the collabora- tion of organizations and associations who want to make themselves available to house the works) and create tourist itineraries and cultural Manzù in the places where he lived and was to formation. " With a desire to re-it is in the background. "Our gno SO-is to create a museum

noble wing of the building via rate, when it is free from the- skied Prefecture destined to translocate to Palaz- della Libertà zo. A museum that would enrich the collection of works by Manzù already exposed in our space down in the open. " The task of Mibact will support and sponsor initiatives created by the agreement, offer the cooperation of experts and support the implementation of Art bonuses and other tax minds instrument for the protection and enhancement of the work of the master.

The invitation to Ardea

Meanwhile, on the occasion of the arrival of Pope Gio- vanni remains in Bergamo (from 24 to 10 June Thu Mag-), have previ- ste first initiatives related to the enhancement of the figure and work of the artist. These include a show in Tasso and the presentation of a map, made by the Province with the Carrara Academy Foundation, which indi- cation places and works of the sculptor in orobico territory. "We have invited the administrative nistratori of Ardea to come to Bergamo in the days when the urgent na with Pope Ron- calluses remains will be in town, it would be the best OC-tunity to begin to confront the turi Fu projects dedicated to Manzù ", ca auspi- the Provincial, cia president.
