

# Bergamondo, three African semifinal

**The results**  
Eliminate favorite formations, Morocco and Burkina Faso. They spend Ghana, Ivory Coast, Senegal and Albania

A day of strong emotions, on the pitch and in the stands, and especially rich in surprising outlets, enough to defeat all odds, thus giving a final tournament of unprecedented, and therefore even more appassioan- you. The quarterfinals of dodice- sima edition of Bergamondo delivered to the annals unexpected re- sults, the result of very balanced games, finished three out of four penalty kicks. The real news is that both favored the eve of the formation tions of Morocco and Burkina Faso, respectively champion and finalist of 2017, were eliminated from the tournament. In SE- mifinale flywheel however well three African teams, Ghana, is Co- Ivory and Senegal; challenge them to a European education, Albania, capable of Monterosso yesterday on the field, defeating Burkina Faso 7-6 on penalties after

the game had ended sul- 1-1. The only ones to come out in regular time were dun- que champions of Ma- rocco, defeated 3-1 by Ghana the Celadina al.

A fall that hurts, but- turata in the second half of a tense game even while In return, especially the ending. The first fraction had already closed sul- 1-0, but in the second half of the two errors Moroccan keeper, who became tuck just 60 seconds after the interval and again two minutes before the final whistle, the partial 2-1, have effectively put an end to the ambitions of the Cam-pion. "After the fourth DEL- last year, we prepared so much for this edition - said Angelo Koomson, tore allena- Ghana -. During the year we signed up a CIS championship and many of these re calciato- play together for a long time. " In the semifinals Ghana will face the Ivory Coast that the sem- pre Celadina, beat Bolivia 5-3 on penalties, DO- while the normal time had ended 1-1.

public support that encouraged the team since the minutes of heating. In addition to Ghana, which beat the pions gearshift in charge, the new favorite of the tournament that will end in two weeks, is Senegal, but yesterday at the camp Monteros- know has worked hard with bia GAM: after 0-0 decreed by the field, the lottery of the penalty has therefore awarded the Senegal, which has prevailed 4-2, winning the coupon for the second nal semifi- against Albania. The two matches will be played domeni- ca next, at 15 and 17 at the municipal field of Zanica. The finals for the 3rd-4th place and for 1st and 2nd place will be played instead of the following Sunday, 17 down- gno, always in Zanica. The tournament is organized by the CSI in collaboration with L'Eco di Bergamo, CI sl, the Community Foundation of Bergamo,

## Young ideas in Europe An office in Via Tasso

The palace of the Province

**In the province**  
Adherence to the Protocol: spaces to support exchange programs among young students of Bergamo and European

A bridge between Bergamo and Europe, starting with the most Giovan rooms. The project "Young Ideas for Europe", an initiative that aims to build an inter- national network involving the upper secondary schools of the old continent (in addition to institutions, associa- tions, companies and training agencies) walking more briskly, even in Ter- ra orobica: the provincial cial Council approved the accession of Via Tasso the memorandum of understanding which adds another mat- tone to this path. Bringing young people beyond the borders, put them in touch, provide experiences. For over ten years the binding "Young Ideas' work in que- s direction, promoting manually an- competitions for schools and reflection on European citizenship, cul- ture, civil coexistence. Specifically, the Province provides the network "Young Ideas" an office in Via Tasso Bergamo to decline in key initiatives, and is committed to sup- lead and promote the dissemi- gation; the paths promoted circumstances will leak more so among the schools of Bertolt gamasca, thanks to the activities of the Education and Service Office Europe of the Province. "We are delighted to support Young Ideas, who for years worked for estimated molar younger generations in Europe on future topics

- says Matteo Rossi, pre- dent of the Province -. Que- am is the project that brings Bergamasca accounts for the highest number of male students in Europe and European students here in Bergamo, semi nando relationships, hope, PA- there. " The MoU was presented by Giampietro Beni- ach, President dell'associazio- it: "Our mission is en- chicane encounter and intercultural dialogue between young people of the European Union for the potential foodsafe educational insi- you in different culture- identity

there. We aim to develop joint European identity based on common historical and cultural experiences, from the valorization of pluralism of Community reality and confrontation from the exchange of ideas and experiences, from reflection on the future. " In the "network" aderi- already scono Mascheroni and Lussana high schools in the city, the school Turoldo of Zogno, the Engim of Valbrembo. This year's final round was held in Kaposvar, Hungary.
